Notes

1 A billing cycle runs from the fourth-last business day of the month to the fifth-last business day of the following month. Your statement will show the fees for all the transactions that you have made in the previous billing cycle. In other words, you are billed 1 month in arrears.

2 Includes Nedbank Online Banking and Cellphone Banking.

3 These fees apply at all stores where cash is offered, for example Shoprite, Pick n Pay and Score.

4 This fee applies to all transactions done through a foreign merchant and is calculated at 2.3% of the transaction value. For example, if you swipe your card abroad for R1 000, the fee will be R23.

5 We will send you 1 free statement per billing cycle for current accounts. Statements for savings accounts are available on request at a fee.

6 We can send payment notifications to third parties, but will charge a fee for each notification.

7 While prescribed by the National Credit Act, facility fees may differ for internal banking segments.

8 For Young Private Clients younger than 30 years with at least a 4-year degree (or NQF 8 equivalent) from an institution approved by the

South Africa Qualifications Authority. The fee will change to R450 in the first billing cycle after your 30th birthday.

9 Send money quickly and securely to any South African cellphone number.

10 If you are 55 or older and have a Private Bundle Account, you will receive a rebate if you keep a total average daily credit balance of R300 000 or more across your savings, investment and/or Money Market products:

 $\cdot\,55$ to 64 years: 30% of the monthly maintenance fee

 $\cdot\,65$ to 74 years: 40% of the monthly maintenance fee

 $\cdot\,75$ years or older: 50% of the monthly maintenance fee

Rebates are paid into your account at the end of every billing cycle. Rebates are limited to 1 Private Bundle Account per client per billing cycle.

11 This includes card and contactless payments.
